The approved projects include the Kunar Bend to Ghaish Motor Road in the border district of Chamoli at a cost of Rs. 4.67 crore, as special dispensation available for districts having international borders. The revised connectivity status, keeping in view the alignment of the border road in Chamoli district, may be intimated by the State Government.

3. The State Government has to bear proportionate cost, amounting to Rs. 47 lakh, of one bridge having span more than 25 metres. This amount has not been included in the approved value of projects indicated at para 2.
4. The release of funds for these projects will be subject to the provisions contained in the Guidelines of PMGSY and clarifications issued thereon.
5. It is requested that action for tendering the works may be taken immediately and works commenced at an early date. The Executing Agency may recheck the BOQs and Estimates while giving technical sanction before tendering the works.

Yours faithfully,
